P.O. Box 33-817  
Takapuna  
Auckland

Submission number: **966**

The particular parts of the above submission which we **support** are:

Parts 14 & 18 relating to Helipads - Section 13.8

The reasons for our **support** for the above submission are:

Helicopter operations on and around Waiheke Island are increasing. Residents and operators are concerned at the increasing impact of these activities and how best to manage them.

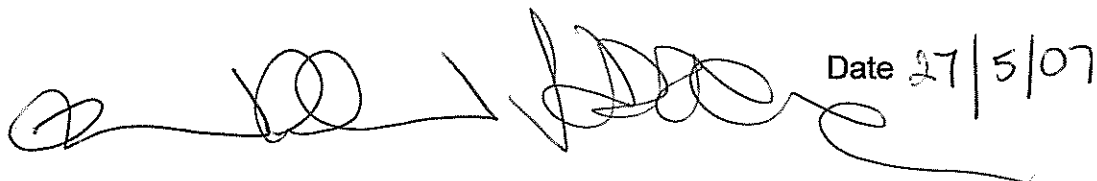

We are pleased that a major commercial operator seeks a strategy to minimise the impact of these operations and removal of non-complying sites from operation.

**We seek part of the submission be allowed.**

We wish to be heard at the council planning hearing

We would be prepared to present a joint case at the hearing with any others making a similar submission.
