I/We Support the submissions of: Heletranz, C/o Tony Monk, Box 300 460, Albany, Auckland.

Submission Numbers: 966

I/We support the submission above in its' entirety.

The reasons for my/our support to the above submissions are:

*The economic future for Great Barrier Island is primarily tourism related. This submission is meets the principals of Section 5 of the RMA "to enable for people and communities to provide for their economic wellbeing"

*Visitors choosing to come to Great Barrier Island are high yield, low impact on the environment tourists who generally spend considerable amounts of money on other tourism related activities during their visits.

I/We seek the whole submission be allowed .

I/We wish to be heard at the council planning hearing Yes No

I/We would be prepared to present a joint case at the hearing with any others making a similar submission.

Yes No
