Orapiu.
Waiheke Island.

Letter: regarding the proposed District Plan-Hauraki Gulf Islands Section 2006 as pertaining to concerns in respect of Orapiu Lodge Limited.

SUBMISSION NUMBER 1091

We wish to lodge our objection regarding the proposed 'Expanded Visitor Facility' at Orapiu lodge.

We are concerned that the wetland area will be destroyed and are opposed to it's development at the eastern end of the island.

We want all buildings and facilities to adhere to ARC Metropolitan Urban Limits and retain the special under-developed character of the eastern end of the island. If residential development is to occur, as residential zoning (such as bush residential) should be applied in order that dwellings are subjected to the same standards, controls, assessment criteria and lot size as surrounding residential properties.

We want to be assured that appropriate controls apply to this coastal development.
