I support the submission of :

Name G. Goldwater & K. Christie

Submission No. 1199

Address 220 Wilma Rd, Surfdale, Waiheke Is.

The particular parts of the submission I support are:

1199/11 (Refers to Part 10c.5.8 Earthworks)

The reasons for my support are:

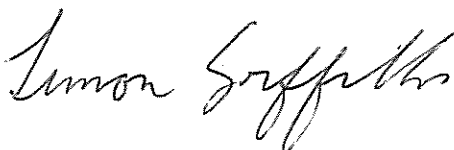

Where earth works in Rural areas takes place the material is to stay on site, and there should be no adverse impacts cross boundary or on waterways. There could be some increase allowed in the maximum levels. This would have to be done in a way that does not compromise the need to achieve a sustainable future for Waiheke and its people.

I seek Part of the submission be allowed

I do not wish to be heard at the council; hearing

I would not be prepared to present a joint case at the hearing with any others making a similar submission
