Submission number: **1243**

The particular parts of the above submission which I/we oppose are:

All parts, but particularly those that relate to sustainable management, responsibility to future generations, Heritage issues and noise.

The reasons for my opposition for the above submission are:

The failure of FFNZ to recognise a duty of care on the part of ACC to protect and preserve area of Heritage for the future well-being of all residents of Waiheke Island. Commercial imperatives should not override community concerns regarding protection and preservation that contribute to the well being of the whole community.

We seek the whole submission be disallowed.

We would be prepared to present a joint case at the hearing with any others making a similar submission.

We oppose the submission of Federated Farmers of New Zealand Inc:

(Submission No. 1243) Address: Private Bag 92066, Auckland Mail Centre. Email: auckland.ff@fedfarm.org.nz

The Particular Parts of the submission we oppose are:

1243/75, 1243/76, 1243/78 and 1243/83 (refers to Parts 10c.5.1 and 10c.5.8).

The Reasons for my / our opposition to the above submission are:

The exceptions that are proposed relate to land used for farming purposes.

The proposed exceptions include farm buildings to be allowed on ridgelines, the unlimited removal of indigenous vegetation under 3ms in height, the removal of exotic trees above 8ms in height, and earthworks within coastal, wetland and water body protection yards. If such provisions were to apply to Waiheke Island they would be contrary to best practice where the achievement of a sustainable future for the island and its people is concerned.

Part of the submission be ~~allowed / disallowed~~ -
