The specific provision that my submission relates to is:

I / We: Support the submission of:  
Craig Anderson No. 1249/1-6 Lot 17 Rakino

I / We: Support these particular parts of the above submission:  
reduction of boundaries of Heritage and Archaeological Sites

The reasons for my / our support or opposition to the above submission are:  
Due to significant land areas being covered by these suggested heritage and archaeological boundaries and the significant impact this has on landowners use and value of their property there is a need for consultation between Landowners of Lot 16 and 17 and the Council Archeologist's and planners to better define boundaries of sites and there importance before they are set in the District Plan. To date there has been no consultation with ourselves as a land owner

I / We seek that:  
the whole submission be allowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
