The specific provision that my submission relates to is:

I / We: Support the submission of:
R. & B. Griffiths , 125 The Strand, Onetangi, Waiheke Island (submission 3295)

I / We: Support these particular parts of the above submission:
all

The reasons for my / our support or opposition to the above submission are:
New plan seems to create more problems than it solves. Almost impossible to cross-reference between old and new plan. Aim of Plan Draft submissions and focus groups was to fix gaps and weaknesses of old plan that were adverse to the preservation of the unique character of the island and the wellbeing of our community, not to create another plan with other teething problems and an invitation to every individual to try to change the plan to make it more suitable for their personal ambitions.

I / We seek that:
the whole submission be allowed

I / We wish to be heard at the council planning hearing: Yes

I / We would be prepared to present a joint case at the hearing with any others making a similar submission: Yes
