These submissions in their entirety.

The Reasons for my / our support to the above submission are:

Council has conceded that the research and analysis work on future growth for Waiheke Island has not been completed and that as a result no provision has been made for it in the Plan. This is an issue that has a significant potential impact on the islands' character and on its community. Until a clear community mandate is established for direction in this regard, a moratorium should be placed on all subdivision. *IMMEDIATELY*

I / We seek... That these submissions be allowed - ✓

I / We wish to be heard at the council hearing. ✓

I / We would be prepared to present a joint case at the hearing with any others making a similar submission. ✓
