These submissions in their entirety.

The Reasons for my / our support to the above submission are:

Adequate planning provision for Mana Whenua and their lands on the island is an important part of the role of the Resource Management Act and critical if they are to take a full and active place as part of the island's community and in the Hauraki Gulf as a whole.

I / ~~we~~ seek... that these submissions be allowed.

~~I / we~~ do not wish to be heard at the council hearing.

~~I / We would be prepared to present a joint case at the hearing with any others making a similar submission.~~
