I oppose the submission of :

Name Great Barrier Community Board

Submission No 1405

Address c/o Auckland City Council Democracy Services,
PB 92516, Wellesley St., Auckland 1141

The particular parts of the submission I oppose are:

1405/4, 1405/16 and 1405/17 (Refers to Part 10c.5.1 Vegetation)

The reasons for my opposition are:

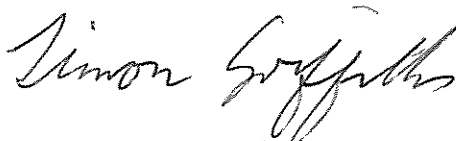

The proposed provisions relate to the cutting down of kanuka and manuka vegetation for private or commercial firewood purposes and also for the purpose of creating firebreaks in all land units (except in SESs.) In addition unlimited clearance is proposed in Landform 5 with no specific reason given. Such provisions might be acceptable on Great Barrier Island. If such provisions were to be introduced on Waiheke Island they would be contrary to best practice where achieving a sustainable future for Waiheke and its people are concerned.

I seek Part of the submission be disallowed

I do not wish to be heard at the council; hearing

I would not be prepared to present a joint case at the hearing with any others making a similar submission
