I / We support the submissions of the Waiheke Island Community Planning Group Inc of P.O.Box 49, Oneroa, Waiheke Island in regard to noise provisions in the Plan. Submission Nos **3061/29**  
- 35

I / We support these submissions in their entirety.  
**Reasons** Noise provisions in the Plan must be customised to the islands topography and to the amenity values of its distinct communities. It is completely inappropriate that they be based on urban / isthmus standards or on a perception [ in regard to permitted noise levels and duration for special events / temporary activities ] that the island is the city's playground and residents do not count.

I / We seek that the whole submission be allowed / disallowed or that the part[s] identified above be allowed / disallowed.

I / We wish to be heard at the council planning hearing. Yes / No

I / We would be prepared to present a case with others of like mind. Yes / No
