I support the Waiheke Island Community Planning Group Inc:
 (Submission No.s 3061 / 29 – 35). Address: PO Box 49, Oneroa, Waiheke Island.
 In regard to noise provisions in the Plan.

The Particular Parts of the submission I support are:
 These submissions in their entirety.

The Reasons for my support to the above submission are:
 Noise provisions in the Plan must be customised to the islands' topography and to the amenity values of its distinct communities.

It is completely inappropriate that they be based on urban / isthmus standards on a perception [in regard to permitted noise levels and duration for special events / temporary activities] that the island is the city's playground and should therefore adopt standards that would be acceptable there.

Residents desire, and enjoy, much lower noise levels and expect visitors to respect this difference between the Island and the Isthmus.

I seek... That the whole submission be allowed.

I DO NOT wish to be heard at the council hearing.
