(clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal)

3052/① Identify a significant wetland in the area currently labelled "Awana Settlement Area".

The reasons for my / our ~~support~~ opposition to the above submission are: This proposed wetland area is adjacent on its northern boundary, to a significant drain on the Curreen's farm (lot 186). Wetland controls on a neighbouring property may impede management and development of the Curreen's farm and in doing so will infringe ~~the~~ Section 5(2) of the Resource Management Act.
