I / We support the submission of the Waiheke Island Community Planning Group Inc:
Submission No. 3061/10 Address: Address: PO Box 49, Oneroa, Waiheke Island.

The Particular Parts of the submission I / we support are:
The entire submission.

The Reasons for my / our support to the above submission are:
Major structural changes in the Plan in particular in regard to SMAs and de-constructing, separating out the Onetangi straight area and re-labelling LU20 into the Rural 1 [Rural Amenity] LU, are not supported. In particular, the old LU 20 performed a critical structural function within the Plan as a whole, providing the strategic framework and representing the equally important issue of protecting our seen and understood landscapes, which is why it was called 'Landscape Protection'. The shift away from catchment-based SMAs is not supported.

I / We seek... That the whole submission be allowed.

I / We wish to be heard at the council hearing.

I / We would be prepared to present a joint case at the hearing with any others making a similar submission.

Signed..... Patsy Blackstock Date 26/05/07
