I support the submission of Phee Phanshell (Submission Number 3720):

Address: PO Box 177, Oneroa Waiheke island. Tel: 09 372 6402. Email: franklyscarlett@paradise.net.nz

The Particular Parts of the submission I support are:

Re: Part 13.8.5 - That Council's assessment of the overall impact of helicopters also includes consideration of the cumulative effects of the number of helipads sites in Rural 1 – 2.

The Reasons for my support to the above submission are:

- That community well-being and related amenity values of quiet are very important.
- That the adverse effects of helicopter operations are more than minor.
- That cumulative effects of multiple helipads add up to an intolerable nuisance.
- That reconciliation with the key principles inherent in "Essentially Waiheke" is important.
- That reconciliation with the "well-being & enhancement" references of Sections 7, 8 of the HGMPA 2000 is important.

I seek... That the whole submission be allowed –

I DO NOT wish to be heard at the council hearing.
