 Submission number 2547

The particular parts of the above submission which I / we support / oppose are:
(clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal)

Land unit 3 is a productive land unit, if its in private title its use should be left up to the land owners prerogative. The whole island is a habitat for some thing Land unit 3 should remain the same

The reasons for my / our support or opposition to the above submission are:

Cant think of an elderly care situation in a Flood zone
 In my view a wetland should be of a saturated nature not a grazed paddock. FH Designation is not required most flats have SA, SES etc

I / We seek

- the whole submission be allowed
- the whole submission be disallowed
- part of the submission be allowed
- part of the submission be disallowed

Very opposed.

I / We wish to be heard at the council planning hearing

Yes No

I / We would be prepared to present a joint case at the hearing with any others making a similar submission.

Yes No
