I/We support the submission of:

David & Patricia McCrary  
210 Schooner Bay Rd  
Gt Barrier Island

Submission No: 1546/1

I/We support the: Submission in its entirety

The reasons for my/our support to the above submissions are: that significant ridgelines defined in the proposed plans are "as shown on the planning maps" A significant ridgeline should be redefined as "those that meet the skyline" and the planning maps should reflect this as well. Significant ridgelines are currently ridiculously depicted on planning maps down to sea level.

I/We seek the whole submission be allowed for a plan change

I/We wish to be heard at the council planning hearing Yes  No

I/We would be prepared to present a joint case at the hearing with any others making a similar submission. Yes  No
