The particular parts of the above submission which I / we support  / oppose  are:  
*(clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal)*

The plan should take into account what people are doing on their land & plan around land owner-productive uses. Leniency should be afforded to foster productive activities to nurture community

The reasons for my / our support or opposition to the above submission are:

The maps hugely influence the land owners rights interests potentials values & ability to survive in a marginally production land use regime. Should be a.
