C/- Barry Raye Associates Ltd

The particular parts of the submission I support are:

The proposed list of activities in clause 10a.20.5 should be amended to include as restricted  
discretionary activities...educational facilities...

The reasons for my support are:

This supports the Ministry's submissions to provide for Educational Facilities in land units where  
they are not already provided for.

I seek that part of the submission be allowed, that part identified in **bold**:

**The proposed list of activities in clause 10a.20.5 should be amended to include as  
restricted discretionary activities cafes/restaurants, outdoor recreation/adventure activities,  
residential uses, wineries, farm buildings, art galleries and museums, care centres, educational  
facilities, function facilities, integrated visitor development, open air markets, rural property  
management plans, tourist complexes.**

I do not wish to be heard in support of my further submission.
