Submission number 2726

The particular parts of the above submission which I / we support oppose are:

(clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal)

The Building STD is too high for a remote rural area.
People require cheaper basic properties.
Local incomes are not high. Just being on barrier is the goal.

The reasons for my / our support or opposition to the above submission are:

No real for castles. Pillars should be banned.
No state housing. Council should create a few low cost
Council houses for local beneficiaries.

- I / We seek
