I / We support / oppose the submission of:
(name and address of original submitter and submission number of original submission if available)

Mr. T. Clarrs
Clarrs RDI
Medlands Submission number *1979*

The particular parts of the above submission which I / we support / oppose are:
(clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal)

regen to alluvial flat
The Council seems very keen to retire land from production we have regen slopes zoned F+B

The reasons for my / our support or opposition to the above submission are:

There are many cases of incorrect land form mapping which seem to not take any land use activity into account. It forces people into a consent process to do what should be an existing right ongoing manuka maintain due with hand tools is ongoing one never keeps up.

I / We seek the whole submission be allowed
 the whole submission be disallowed
 part of the submission be allowed
 part of the submission be disallowed

I / We wish to be heard at the council planning hearing Yes No

I / We would be prepared to present a joint case at the hearing with any others making a similar submission Yes No
