Access in unformed Roads should be developable as of right. They are reserved and subdivisions are wasteful. Many people have relied upon them

The reasons for my / our support or opposition to the above submission are:

Paper roads have been reserves and I believe they are reserves. IT IS hard to develop them because to what standard do we have to go. You need consent to change

I / We seek

the whole submission be allowed  
 the whole submission be disallowed  
 part of the submission be allowed  
 part of the submission be disallowed

the paper road that's wrong. We should have the right to build and metal a unformed road.

I / We wish to be heard at the council planning hearing  Yes  No

I / We would be prepared to present a joint case at the hearing with any others making a similar submission  Yes  No
