Reasons

The reasons for my support/opposition are: I support the general content of this submission as it is well written.

Decision sought

I seek the following decision from the local authority:

I seek that where alternative relief is postulated then the relief sought should be taken to be that emerging from any combinations

of the separate relief(s) sought such that the overall outcomes sought by me are achieved.

I further seek that all relevant sections of the proposal be amended accordingly to achieve the purpose sought in this further submission and the overall outcomes sought are achieved.

Specifically the outcome sought is:

I That the changes sought by the submitter be adopted. ~~That~~ the HGMPP Act 2002 In respect of Protection, Maintenance & enhancement - Transport Sustainability Management, being a move towards sustainable development.

I Include a section in the plan which recognises the deans responsibilities & obligations to consider the HGMPP Act, not well known that it is included in the proposed plan in various objectives policies & rules

**As to being heard**

I wish to be heard in support of my submission.

\*if others make a similar submission/s, I will consider presenting a joint case with them at a hearing.
