

MONTE CECILIA PARK

Open Day – Self guided tour of the park

26 February 2006

MONTE CECILIA PARK

Open Day – Self guided tour of the park

26 February 2006

You are invited to join one of the heritage tours at 3pm or 4pm, or take one of these maps and guide yourself around the park to identify some of the significant features of the park and its surroundings.

- 1 Pah homestead built by Williamson in 1879
 - 2 The Grotto, built after 1913 (housed the statue of Virgin Mary)
 - 3 Lawns and asphalt paths (previously formal gardens), iron hurdles (possibly date to the 1870s), boundary planting and stairs to the east terrace
 - 4 Stairs to the north garden
 - 5 The Stables built by Williamson at the same time as the homestead (private property- please view from the driveway)
 - 6 The Friary built in 1939 (private property- please view from the fenceline)
 - 7 House, shed and out buildings associated with the farm operation (now removed)
 - 8 Circular feature grove of trees from Russell's period of ownership 1866- 1878 (private property- please view from fenceline)
 - 9 Fig trees and Bunya pine from Harts period of ownership 1845-1853
 - 10 Location of Marcellin Hall (removed 2000)
 - 11 Original bluestone entrance gates for the carriage drive- can be seen from Pah Road
 - 12 Location of early orchard and house – now removed (private property)
 - 13 View to Pah homestead
 - 14 The former carriage drive with double row of trees planted first by Russell and then added to by Williamson
 - 15 Orchard grove
 - 16 View to Manukau Harbour and Mangere Mountain
 - 17 The 'Whare' relocated to the site from St Johns in Tamaki in 1903 – now part of Monte Cecilia Primary School (private property- please view from the fenceline)
 - 18 View to One Tree Hill
-
